## Lionhead Golf Club & Conference Centre

8525 Mississauga Road  
Brampton, ON L6Y 0C1

(905) 455-5815 Fax

Lionhead has established a reputation for excellence. Designed and groomed to excite every level of golfer, Lionhead offers its guests one of Ontario's finest golfing experiences on two championship courses. The famous Legends course has a slope of 155, creating a golf experience that you will never forget. Small undulating putting surfaces, tight tree lined fairways, cavernous bunkers and the Credit river that flows through or beside 14 out of 18 holes will leave most golfers speechless at the end of the round. The Masters course has been coined the 'kinder and gentler' layout at Lionhead. Sloped at 146, it is a more traditional design harmonizing with the natural surroundings of forest and rolling hills that will sneak up and completely blindsides you.

## Royal Ontario Golf Club

Events at Royal Ontario are nothing less than spectacular. The course layout unfolds over an old equestrian centre that has a dramatic hilly terrain, dotted with wetlands in lower lying areas of the Sixteen Mile Creek river basin. Each and every hole features a unique challenge that will test your game. Make sure you are decisive and hit your shots with authority! Golfers will find a relaxing environment in which to reminisce about their round of golf within our Moe Norman lounge, or seated on our massive outdoor patio area, overlooking our finishing holes.

## Royal Niagara Golf Club

A contemporary design that uses the spectacular natural terrain of the Niagara Escarpment to create a stunning layout. Nestled between the 120 year old Welland Canal, the beautiful Bruce Trail and the Niagara Escarpment it has become one of the "must play" courses on an international standard. This 27 hole facility has also been host to prestigious tournaments such as the International Junior Team Championship and the Telus Skins Game.

## Carlisle Golf Club

Natural, gentle rolling fairways lined with natural whispering pine trees reminds you of South Carolina as your drive onto this property. As you play through the 27 hole layout you will quickly experience a golf course with subtle turns that demands more placement shots rather than power. Carlisle's clubhouse is nicely decorated and perfect for meals before and after golf. Tournaments, meetings and social occasions are perfectly suited for Carlisle.

## Century Pines Golf Club

592 Westover Road, RR # 1  
Flamborough (Troy), ON L0R 2B0

One of Ontario's hidden gems! This is a golf course filled with much interest and character. Architect Ted Baker has created a course that gives a golfer ample opportunity to polish their iron play as accuracy and distance control comes into play everywhere on the golf course. The Clubhouse has a beautiful patio which is the ideal spot to gather after the round. Specializing in tournaments; Century Pines can do it all, and well within your budget.
