CARLISLE GOLF & COUNTRY CLUB

Carlisle Golf & Country Club is a cozy collection of 27 of the finest and most interesting golf holes in the region. With three nines and multiple tee deck options, Carlisle caters to golfers of all abilities.

Always meticulously groomed and maintained, the golf course offers a parkland style layout with rolling greens, tall pine trees, Ohio Valley sand bunkers & generous fairways. Decorated with towering Pine trees, majestic landscapes and Ohio-inspired fences, welcome to our version of South Carolina golf – at Carlisle Golf & Country Club.

ROYAL ONTARIO GOLF CLUB

Rolling countryside, nine large ponds, mature trees, both narrow and generous fairways, plus a variety of green sizes combine to make Royal Ontario's design a good test for every aspect of your game. Royal Ontario is built on an exquisite piece of property; as a former home to an Equestrian Centre, the land features large meadows outlined by dense forest.

Designed with the prevailing landscape in mind, holes were strategically placed within open spaces, allowing the existing woodlands to naturally frame the fairways and greens.

CENTURY PINES GOLF CLUB

Century Pines is a mature and picturesque parkland style course, home to majestic Maple, Oak, and Pine trees that fortify and frame its sculpted bentgrass fairways, lush tee decks, and undulating greens. The natural beauty of the forest and wetlands is enhanced by two creeks that meander throughout the course.

Numerous ponds, Ohio Valley sand-filled bunkers, & other natural hazards await errant strokes. Four sets of tee blocks allow a novice golfer to appreciate the generous landing areas, while challenging more accomplished players to execute a variety of shots using every club in the bag.

ROYAL NIAGARA GOLF CLUB

Nestled between the historic Welland Canal, the beautiful Bruce Trail, and the Niagara Escarpment, Royal Niagara is a stunning course to experience. Extending over 7,000 yards from the back tee deck, the 27 hole layout features sculpted fairways, undulating greens, cavernous bunkers, and an abundance of water.

Host to three impressive 9-hole courses; The Escarpment Course, The Iron Bridge Course, and The Old Canal Course, Royal Niagara is built to the highest championship standards. Each 9 is balanced in terms of length and challenge, resulting in three unique nine hole golf options.

LIONHEAD GOLF CLUB & CONFERENCE CENTRE

Carved into 520 spectacular acres of inspired natural terrain, Lionhead's Legends and Masters courses are exquisitely designed and impeccably groomed to challenge and excite golfers of all levels.

Blending beautifully with the grand natural splendour of the meadows, ravines, wetlands, forests, rivers, and foliage, Lionhead Golf Club & Conference Centre, our flagship club, offers its guests one of Ontario's finest golfing experiences.
