Always meticulously groomed and maintained, the golf course offers a parkland style layout with rolling greens, tall pine trees, Ohio Valley sand bunkers & generous fairways. CENTURY PINES GOLF CLUB

Century Pines is a mature and picturesque parkland style course, home to majestic Maple, Oak, and Pine trees that fortify and frame its sculpted bentgrass fairways, lush tee decks, and undulating greens. The natural beauty of the forest and wetlands is enhanced by two creeks that meander throughout the course.

Numerous ponds, Ohio Valley sand-filled bunkers, & other natural hazards await errant strokes. Four sets of tee blocks allow a novice golfer to appreciate the generous landing areas, while challenging more accomplished players to execute a variety of shots using every club in the bag.

@royalontariogolfclub

ROYAL ONTARIO GOLF CLUB

Rolling countryside, nine large ponds, mature trees, both narrow and generous fairways, plus a variety of green sizes combine to make Royal Ontario's design a good test for every aspect of your game. Royal Ontario is built on an exquisite piece of property. As a former home to an Equestrian Centre, the land features large meadows outlined by dense forest.

Designed with the prevailing landscape in mind, holes were strategically placed within open spaces, allowing the existing woodlands to naturally frame the fairways and greens.

ROYAL NIAGARA GOLF CLUB

Nestled between the historic Welland Canal, the beautiful Bruce Trail, and the Niagara Escarpment, Royal Niagara is a stunning course to experience. Extending over 7,000 yards from the back tee deck, the 27 hole layout features sculpted fairways, undulating greens, cavernous bunkers, and an abundance of water.

Host to three impressive 9-hole courses; The Escarpment Course, The Iron Bridge Course, and The Old Canal Course, Royal Niagara is built to the highest championship standards. Each 9 is balanced in terms of length and challenge, resulting in three unique nine hole golf options.
